❑ Test result:- Result is uploaded by faculties which is visible to parents.

SYSTEM FLOW CHART

[Figure 1. Admin Flowchart]

[Figure 2. Parents Flowchart]

[Figure 3. Usecase of the system]

Tools And Technology

• **Technology**
  ❑ Java
  ❑ Android
  ❑ HTML
  ❑ CSS

• **Tools**
  ❑ NetBeans8.2
  ❑ Android Studio 3.1.4
 ❑ Jdk,Sdk
  ❑ Adobe XD 12.0.12.10
  ❑ Wamp

Conclusion

This system will become the main stream of our future education system and it will provide solutions for our problems which we are facing today in our education system. Thus, it will play vital role in our future generation's study life.
